

## Homework 1: Requirements and Estimations

August 23, 2016

Write a one-page document containing the following items:

1. One or two paragraphs describing your understanding of the project requirements.
2. One or two paragraphs giving your estimate of how long you expect to take to complete this project. Give both an estimate of hours and an estimate of a completion date. Include your rationale for your estimate.

Remember that this is a writing class. This assignment will be graded on the basis of the quality of the writing.

Due Date: 9:55am, August 25, 2016. Submit your document via the Homework 1 assignment link in Moodle. Please make sure that your document is in pdf format.
